

Friday, July 15th 2011 is CAP Day in Nova Scotia.

Join us on Friday, July 15 to celebrate C@P in your community!

The C@P Sites of Antigonish County would like to extend an invitation to the public to come celebrate CAP Day with an Open House at the Antigonish C@P Site (located at the Antigonish Town & County Public Library, 283 Main Street, Antigonish) from 1:00 pm until 3:00 pm. There will be activities and games for children along with a movie, as well as demonstrations given by CAP staff such as – understanding computer basics and the Internet, how to e-mail, download eBooks, or download photos from digital cameras. All are welcome, and light refreshments will be served.

The Community Access Program (C@P) provides Canadians with affordable public access to information technology, computers and the Internet as well as the skills to use them effectively. CAP sites offer access to the Internet, email, and printing. CAP also provides Computer/Cyber camps, basic computer instruction, word processing, job search programs, business services and senior programs.

There's always something new to learn. Come and visit your local C@P site!

For more information, please contact Kerrin Duggan (Antigonish County C@P Mentor) at 863-0808, or email capmentor@gmail.com.
